

Southington High School Marching Band 2010/2011

UNIFORM FEE

Each marching band member is assessed a mandatory \$82.00 uniform fee. This fee is used exclusively by the marching band to offset the costs associated with purchasing color guard uniforms and the costs associated with the cleaning of instrumental uniforms for the season. Maintaining our band uniforms results in a crisp competition presentation and ensures that the uniforms will continue to be available for future years. Payment is due no later than September 15, 2010.

Please note that a student's accumulated points can be applied to the uniform fee.
